**NEXT STEP 2014**

**YEAR 12 DESTINATIONS**

Logan City Special School

**Introduction**

This page presents a summary of results of the annual Next Step survey for Logan City Special School. The Next Step survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2013, whether they attended a government, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician’s Office conducted the survey between March and June 2014, approximately six months after the young people left school. Responses were collected via computer-assisted telephone interviewing and an online survey.

**Response rate for Logan City Special School**

Table 1 below reports the response rate for Logan City Special School. It expresses the number of respondents from this school, as a percentage of all Year 12 completers who attended Logan City Special School in 2013.

Due to the low response rate, these results should be interpreted and used with caution.

**Definitions of main destinations**

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

**Summary of findings**

In 2014, no young people who completed Year 12 at Logan City Special School in 2013 continued in some recognised form of education and training in the year after they left school.

There were no respondents from this school who deferred a tertiary offer in 2014.

Seven respondents did not enter post-school education or training, and were either employed (one), seeking work (one) or not in the labour force, education or training (five).
